2017: EFP v2, over 230 customers

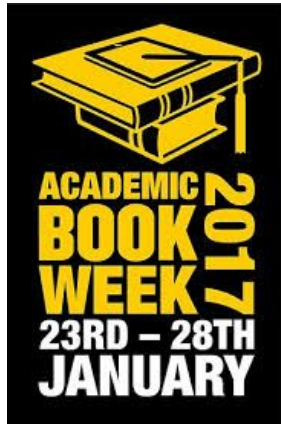

This time last year...

New things for us!

Shibboleth®

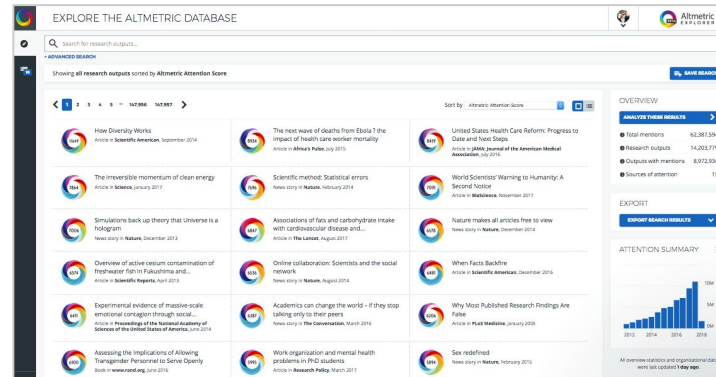

9 brilliant productivity tips for researchers

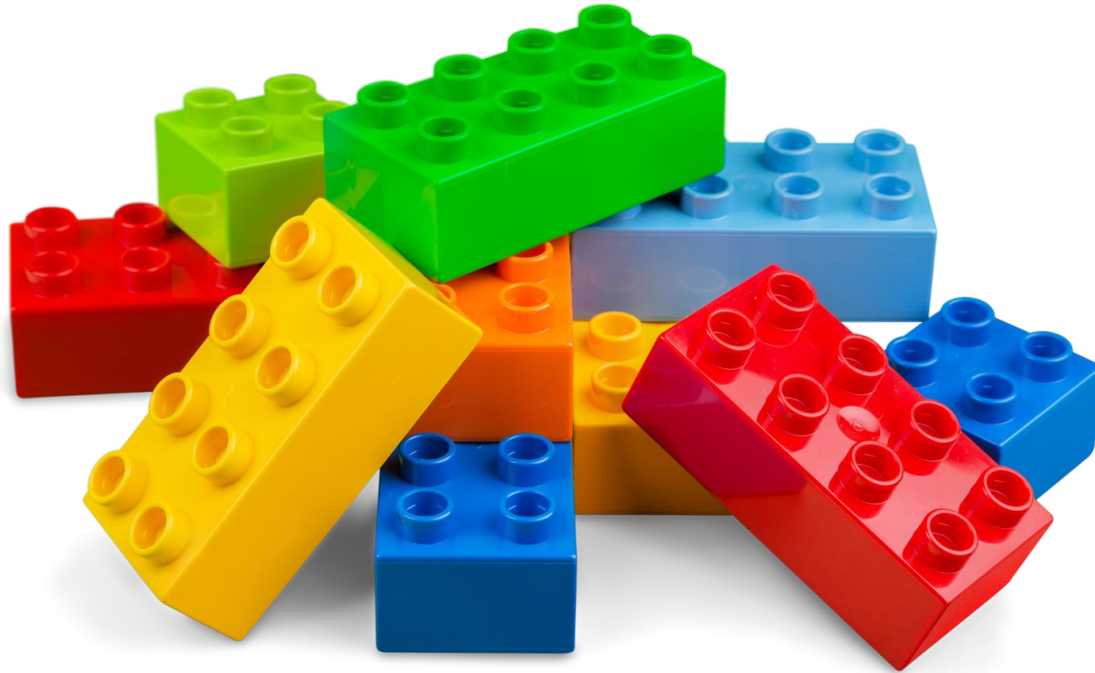

Stacy Konkiet, 7th February 2017

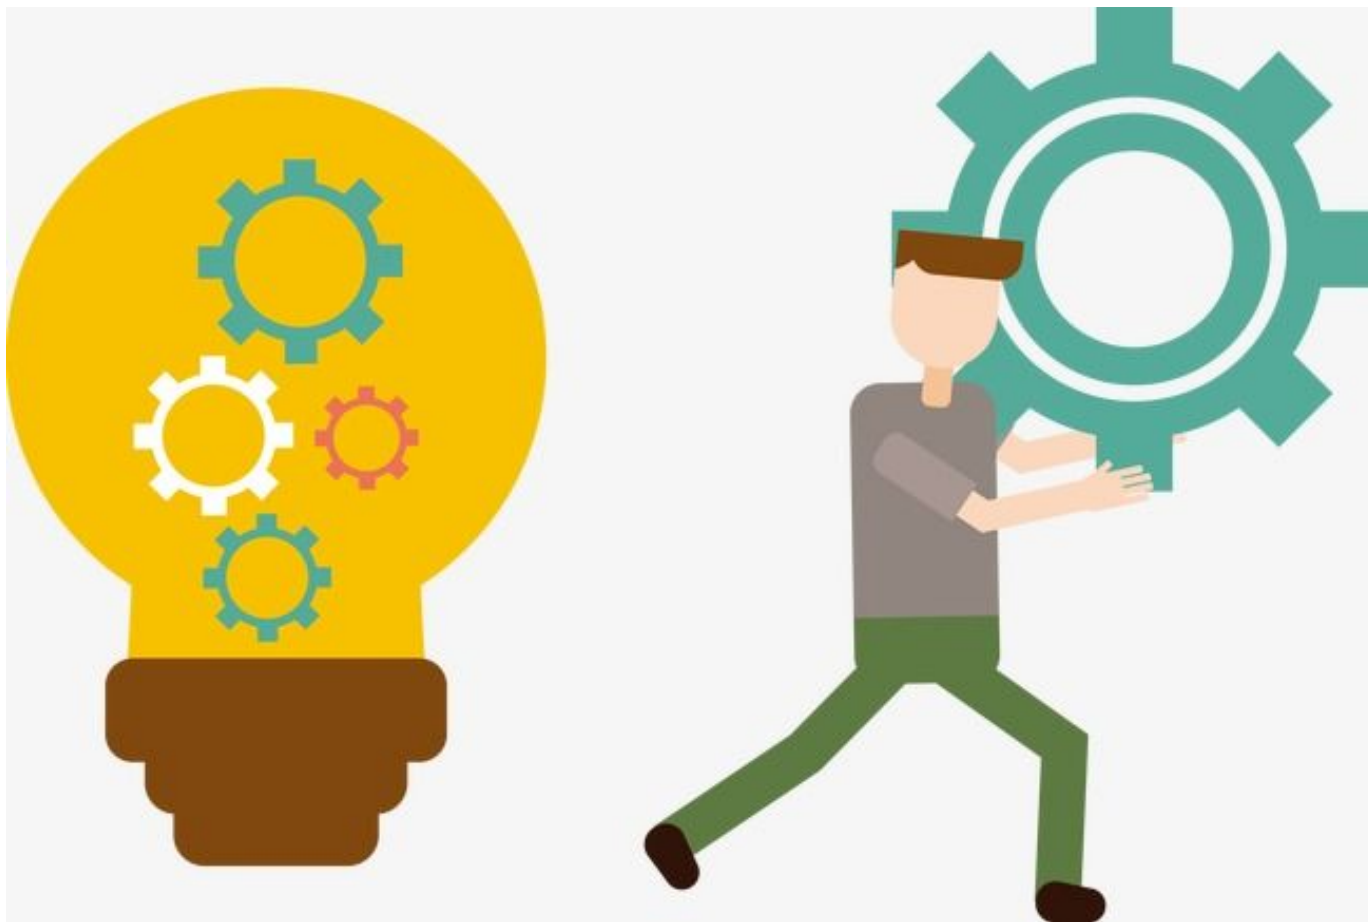

[1 comments](#)

Today's researchers seem to have less time than their colleagues did in years past. They are burdened with mountains of administrative paperwork, scores of new articles to read per month, and—oh yeah—a heck of a lot of research to do, too!

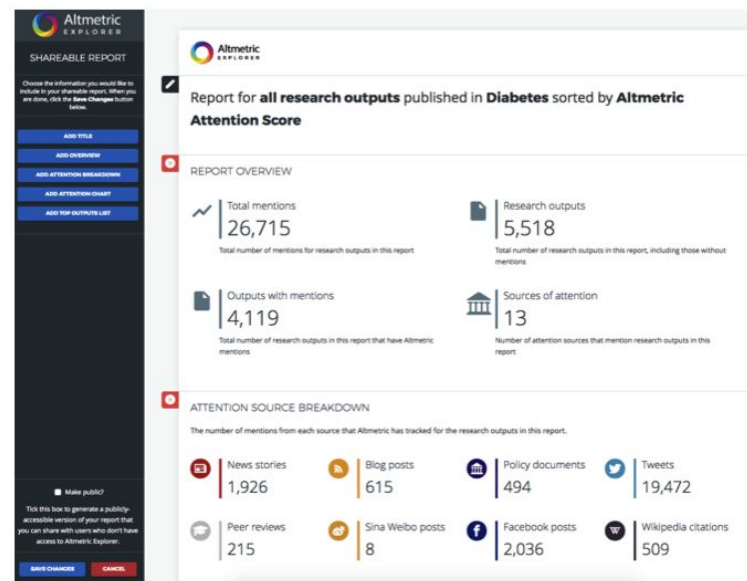

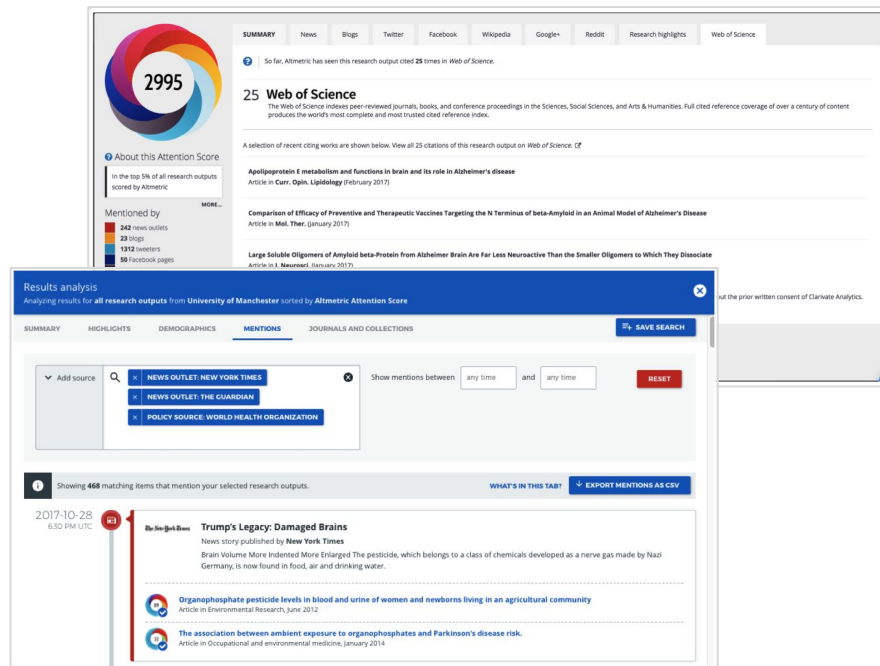

Behind the scenes

Is it 2018 already?!
