

Task Force Description:

A major focus of ORCID is to reach financial sustainability. The overall remit of this Task Force is to develop the organization's cash management policy with the aim of prudent strategy for earned revenue consistent with cashflow requirements, while minimizing risk. Individuals serving on the Task Force were selected based on financial investment experience and include the ORCID Treasurer as chair and Board members and external member and non-member advisers. The Executive Director serves in an ex officio capacity and provides research support as needed.

Task Force Members:

 [Edward Wates](#), Chair, ORCID Treasurer, Wiley (UK)
