

Joint Meeting of the British & Spanish Developmental Biology Societies

24th-27th September 2008, Seville, SPAIN

Topics Include:

Stem cells, systems biology, functional genomics, evo-devo, cell proliferation and apoptosis, cell migration, communication and polarity, architecture of the nervous system and model systems for human pathologies.

Early registration and abstract submission: 15th May 2008

Information and registration: <http://www.development2008seville.es>

Organizers: James Castelli-Gair Hombria, Acaimo González-Reyes, Alicia Hidalgo and Robert Kelsh

Michalis Averof (IMBB, Crete, Greece)

Michael Bate (University of Cambridge, UK)

Thomas Becker (SARS Centre, Norway)

Damian Brunner (EMBL, Germany)

Elaine Dzierzak (Erasmus Medical Center, Rotterdam, Holland)

Andrew Fleming (University of Sheffield, UK)

Marcos González-Gaitán (Geneva University, Switzerland)

Cayetano González (IRB, Barcelona, Spain)

Carl Philipp Heisenberg (Max-Planck Institute Dresden, Germany)

Christine Holt (University of Cambridge, UK)

Ben Lehner (CRG, Barcelona, Spain)

Thierry Lepage (Marine Station Villefranche-sur-Mer, France)

Sarah A. Teichmann (LMB, Cambridge, UK)

Emili Saló (University of Barcelona, Spain)

Oscar Marín (Instituto de Neurociencias, Alicante, Spain)

Enrique Martín-Blanco (IBMB, Barcelona, Spain)

Ginés Morata (CBM-SO, Madrid, Spain)

W. James Nelson (University of Stanford, California, USA)

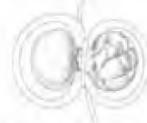

Ángela Nieto (Instituto de Neurociencias, Alicante, Spain)

Alberto Pascual Bravo (Hospital Universitario Virgen del Rocío, Sevilla, Spain)

Nicolas Tapon (CRUK, London, UK)

Jussi Taipale (University of Helsinki, Finland)

Magdalena Zernicka-Goetz (Gurdon Institute, Cambridge, UK)
