

The Victorian Child's Lifecourse Journey in Data

No set schedule (any age)

Infographic		Data/specimen collection	Description/contains	Domain	Coverage	Population	Data type	Accessible?	Custodian
Pre-conception	Blood test	GP visit results	May visit GP if planning on becoming pregnant to check maternal immunity against chickenpox, influenza, measles, mumps, rubella, diphtheria, tetanus, whooping cough	Health		Not Univ	Biosample	Not acc/cur	Various pathology
							Report	Not acc/cur	GPs
Pre-conception		Catch-up vaccinations	Provision of catch-up vaccinations, e.g. measles/mumps/rubella (Priorix) if rubella non-immune	Health	Aus	Not Univ/ Targeted	Admin	Accessible	AIR (DHS)
Pre-conception to postnatal	KMS	Koori Maternity Services	Range of ATSI community-controlled care provision for ATSI people regarding pregnancy planning, antenatal care, partnerships with birthing hospital, outreach options, postnatal care	Health	Vic	Targeted	Admin	Not acc/cur	VACCHO
Conception									
AN 10w to 16w	AntBl1	Booking visit	Medical history, diet, blood pressure, BMI, blood screen (blood count/group, antibodies, hep B, hep C, vit D, folate, syphilis, rubella, HIV/AIDS) urinalysis; possibly check cervical cytology, ferritin, thalassaemia, hemoglobinopathy, varicella zoster	Health		Universal	Biosample	Not acc/cur	Various pathology
							Report	Not acc/cur	Various
AN		Influenza immunisation	Recommended at any time during pregnancy	Health	Aus	Not Univ	Admin	Accessible	AIR (DHS)
AN to Birth	Maternity Care	Urine tests	Urinalysis normally conducted at each antenatal visit, usually to test for protein; blood; glucose; specific gravity	Health		Universal	Biosample	Not acc/cur	Various
							Report	Not acc/cur	GPs
AN to 4y	Support Services	Early Parenting Centre Services	Range of support services for parents requiring additional support, focussing on building parenting skills, enhancing parent-child relationship	Social/ Other	Vic	Not Univ/ Targeted	Admin	Accessible	DHHS
		Cradle to Kinder	Pre-birth/early parenting support service program for pregnant women under 25y with indicators of vulnerability	Social/ Other	Vic	Not Univ/ Targeted	Admin	Accessible	DHHS
AN 9w to 13w+6	MSS1/ NIPT	Maternal Serum Screening 1 (alone or part of CFTS)	PAPP-A, free β-hCG; identifies pregnancies at risk of chromosome trisomies (e.g. Down), when combined with nuchal testing; mothers may have MSS1 or MSS2 (below), depending on timing of test, or NIPT; also known as Combined First Trimester Screening (CFTS) when done at 11+0-13+6w with pre-eclampsia screening)	Health	Vic	Not Univ	Biosample	Not acc/cur	VCGS
							Report	Accessible	VCGS
AN 11w to 13+6w		Pre-eclampsia screening (part of CFTS)	Pregnancy-associated plasma protein-A (PAPP-A) and placental growth factor (PIGF), combined with maternal blood pressure and family history to screen for pre-eclampsia; not covered by Medicare	Health		Not Univ	Biosample	Not acc/cur	Various (e.g. VCGS)
							Report	Not acc/cur	Various (e.g. VCGS)
AN 10w +		Non-invasive prenatal test (NIPT)	Direct assessment of all 24 fetal chromosomes; identifies pregnancies with trisomies 21, 18, 13 (Down, Patau, Edward) + rare fetal +/- placental trisomies; mothers may have MSS or NIPT	Health	Vic	Not Univ	Biosample	Not acc/cur	Various
							Report	Accessible	Various
AN 6w to 14w		Dating/ Nuchal translucency scan	Gestational age/due date by crown-rump length (CRL, best up to 12 weeks); check embryo is inside womb, no. of embryos, heartbeat, normal development; nuchal thickness (not if having NIPT) for Down + other syndromes	Health		Not Univ	Image	Not acc/cur	Various
							Report	Accessible	Various
AN 10w to Birth	BOS	Birthing Outcomes System	Clinical management information system capturing comprehensive details about mother and baby during a pregnancy incl booking visit, antenatal visits, birthing hospital/agency. Much of this data is exported to VPDC	Health		Not Univ	Admin, Survey	Not acc/cur	Various hospitals
AN 14w to 20w	MSS2	Maternal Serum Screening 2	Alpha-feto protein, unconjugated estriol, free β-hCG, dimeric inhibin A; identifies pregnancies at risk of trisomies (e.g. Down), neural tube defects; may have MSS1 (above) or MSS2, depending on timing, or NIPT	Health	Vic	Not Univ	Biosample	Not acc/cur	VCGS
							Report	Accessible	VCGS
AN 18w to 20w		Anomaly scan	Check fetal structure development (spine, limbs, brain, organs), measurements (biparietal diameter (BPD), head circumference (HC), abdominal circumference (AC), femur length (FL), size/location of placenta, syndromes, sex	Health		Universal	Image	Not acc/cur	Various
							Report	Accessible	Various
AN 24w to 28w	GCT	Glucose challenge test	Non-fasted standard glucose drink; blood glucose at 2h (most now conduct full GTT instead)	Health		Not Univ	Biosample	Not acc/cur	Various pathology
							Report	Not acc/cur	GPs
AN 24w to 28w	GTT	Glucose tolerance test	Fasting blood glucose; standard glucose drink; blood glucose at 2h (gold standard)	Health		Not Univ	Biosample	Not acc/cur	Various pathology
							Report	Not acc/cur	GPs
28w	AntBl2	28 week blood test	Full blood count (anaemia), blood group, antibodies screen; usually at the same blood test as for GTT	Health		Universal	Biosample	Not acc/cur	Various
							Report	Not acc/cur	Various

- Not Univ = not universal – elective
- Not acc/cur = not accessible/curated
- Admin = administrative data (no clinical reports/results included)
- Unique identification numbers
- Correct to best of our knowledge as of August 2018 – not for circulation

- Sample = random sample of population
- Not coll = not (routinely) collected
- See Glossary of acronyms at end

Infographic		Data/specimen collection	Description/contains	Domain	Coverage	Population	Data type	Accessible?	Custodian
AN 28w to 32 w		DTP vaccine	Diphtheria/tetanus/whooping cough (Boostrix) immunisation	Health	Aus	Not Univ/ Targeted	Admin	Accessible	AIR (DHS)
AN 28w to 40 w		Growth scan(s)	Measurements (biparietal diameter (BPD), head circumference (HC), abdominal circumference (AC), femur length (FL); size/location of placenta; performed as indicated (some obstetricians routinely schedule)	Health		Not Univ	Image Report	Not acc/cur Not acc/cur	Various Various
AN 36w	GBS	Group B streptococcus screening	Vaginal and rectal swabs, usually self-collected by mother at antenatal visit	Health		Universal	Biosample Report	Not acc/cur Not acc/cur	Various pathology GPs
AN 36w	AntB13	36 week blood test	Full blood count (anaemia), blood group, antibodies screen	Health		Not Univ	Biosample Report	Not acc/cur Not acc/cur	Various pathology GPs
Pre-delivery	AntB14	Pre-delivery blood test	Blood test: group and hold, full blood count	Health		Not Univ/ Targeted	Biosample Report	Not acc/cur Not acc/cur	Various Various
0w Birth									
	IHI	Individual Health Identifier	IHI can currently be assigned from birth to 1y when enrolled in Medicare, potentially to be assigned at birth in near future. Includes performance data on emergency care, elective surgery, dental care & used to create My Health Record						
0w	ANZNN	Australian & New Zealand Neonatal Network audit of high risk infants admitted for intensive care	Details on maternal demographics, antenatal presenting problem, complications, baby demographics and birth, respiratory measures, ventilatory support, chronic lung disease, PDA treatment, infection and necrotising enterocolitis, surgery, nutrition, therapeutic hypothermia, immunisation/feeding/birthweight regain, IVH and cranial ultrasound, eye examination, death, transfer, discharge	Health	ANZ	Targeted	Survey	Accessible	ANZNN
0w	VPDC	Victorian Perinatal Data Collection	Info collected by patient administration system (PAS) upon admission to hospital/agency, perinatal electronic system in birthing suite, and before discharge, then loaded into VPDC database. Includes demographics, obstetric conditions, procedures & outcomes, neonatal morbidity & birth defects relating to births & stillbirths	Health	Vic	Universal	Survey	Accessible	CCOPMM, DHHS
0w	VCAR	Victorian Congenital Anomalies Register	Birth/termination details & anomaly type (BPA code) for all major congenital anomaly cases (live births, stillbirths & terminations), available to link with VPDC for further details. VPDC notifies the register in ~80% of cases, the remainder of notifications are mainly from hospital sources, Maternal & child health nurse & other professionals	Health	Vic	Targeted	Survey	Accessible	CCOPMM, DHHS
0w	BDM	Births Registry Victoria	Registry of all births (& stillbirths over 20w or 400g) in Victoria (DOB, place of birth, sex); also captures father and mother details	Social/Other	Vic	Universal	Admin	Accessible	BDM Vic
0w	NPDC	National Perinatal Data Collection	National population-based cross-sectional collection of data on pregnancy and childbirth (data collected by VPDC in Vic, and a subset included in national dataset)	Health	Aus	Universal	Admin	Accessible	AIHW
0w to ~4w	NPM	National Perinatal Mortality	National collection of all stillbirths/neonatal deaths in states/territories, at least 20 weeks gestation or 400g birthweight, incl Fetus Papyraceous and Fetus Compressus	Health	Aus	Targeted	Admin	Accessible	AIHW
0w		Victorian Infant Hearing Screening Program (VIHSP)	Screens hearing (using Automated Auditory Brainstem Response) of newborn babies	Health	Vic	Universal	Report	Accessible	VIHSP
48-72h	NBS	Newborn Metabolic Screening (Guthrie Card)	Drops of blood collected by midwife onto a screening card from baby's heel and sent to lab for blood test examining metabolites to screen for medical conditions (most commonly congenital hypothyroidism, cystic fibrosis, phenylketonuria (PKU), fatty acid oxidation disorders)	Health	Vic	Universal	Biosample	Accessible	VCGS
0w		Hepatitis B vaccine	Injection for hepatitis B (H-B-Vax-II Paediatric or Engerix-B Paediatric) usually offered in hospital	Health	Aus	Universal	Admin	Accessible	AIR (DHS)
0w		Mothers' MMR vaccine	Measles/mumps/rubella (Priorix) vaccine given to mothers after birth if rubella non-immune	Health	Aus	Not Univ	Admin	Accessible	AIR (DHS)
0w to 1w		Maternal & Child Health Nurse home visit	Weight/growth; nutrition & breastfeeding status; family health/wellbeing; pregnancy/birth/family history; safe sleeping checklist; QUIT intervention; family violence assessment & safety plan if required	Health	Vic	Universal	Report	Not acc/cur	DET
0w	Cord blood	Cord blood	Not routinely collected: Blood left in placenta and umbilical cord after birth, source of blood-forming stem cells. Already collected in some hospitals (e.g. for high risk pregnancies; by parent choice)	Health		Not Univ	Biosample	Not coll	N/A

- *Not Univ* = not universal – elective
- *Not acc/cur* = not accessible/curated
- *Admin* = administrative data (no clinical reports/results included)
- Unique identification numbers
- Correct to best of our knowledge as of August 2018 – **not for circulation**

- *Sample* = random sample of population
- *Not coll* = not (routinely) collected
- See *Glossary of acronyms* at end

Infographic		Data/specimen collection	Description/contains	Domain	Coverage	Population	Data type	Accessible?	Custodian
0w	Parents' saliva	Parents' saliva	Not routinely collected: Sample of biological parents' saliva for DNA based testing	Health		0	Biosample	Not coll	N/A
0w to 1y	Maternal Mortality	National Maternal Mortality	Data on all maternal deaths (up to/incl. 42 days post-partum) occurring in each state or territory; optional inclusion of late maternal deaths (43 to 365 days)	Health	Aus	Targeted	Admin	Accessible	AIHW
0w to 5y	Support Services	Early Childhood Intervention Services	Service to support children with disability or developmental delay from birth to school entry & families (transitioning into NDIS)	Social/Other	Vic	Not Univ/Targeted	Admin	Accessible	DET
0w to 14y	Indigenous Health (admin)	Medicare Health Assessment for Aboriginal and Torres Strait Islander People	Annual assessment of ATSI children; incl. history of pregnancy/birth/neonatal period, nutrition, development, dental hygiene, education, social circumstances and caring arrangements, examination, assessment, recommended interventions	Health	Aus	Targeted	Admin	Accessible	DoH
0w to 18 years	Wellbeing	Victorian Child Health and Wellbeing Survey	Phone interview with parents/carers covering issues incl. child health, growth, nutrition, reading, injury, behaviour, family functioning, parental health (incl. in pregnancy)	Health	Vic	Sample/Episodic n≈7000	Survey	Not coll	DET
2w		Maternal & Child Health Nurse visit	Weight/growth; nutrition & breastfeeding status; family health/wellbeing; PEDS Q1; physical & hips assessments; hearing risk assessment; red reflex; safe sleeping checklist; QUIT intervention; family violence assessment & safety plan if required	Health	Vic	Universal	Report	Not acc/cur	DET
4w		Maternal & Child Health Nurse visit	Weight/growth; nutrition & breastfeeding status; family health/wellbeing; PEDS Q1; maternal health & wellbeing/EPND scale; hips assessment; safe sleeping checklist; QUIT intervention; family violence assessment & safety plan if required	Health	Vic	Universal	Report	Not acc/cur	DET
6w to 15w		2 months vaccines	Combined injection for diphtheria/tetanus/whooping cough/hep B/polio/Hib (haemophilus influenzae type b) (Infanrix hexa), pneumococcal (Prevenar 13), oral dose for rotavirus (Rotarix)	Health	Aus	Universal	Admin	Accessible	AIR (DHS)
8w		Maternal & Child Health Nurse visit	Weight/growth; nutrition & breastfeeding status; family health/wellbeing; PEDS Q1; EPND scale (optional); physical & hips assessment; safe sleeping checklist; QUIT intervention; family violence assessment & safety plan if required	Health	Vic	Universal	Report	Not acc/cur	DET
4m		4 months vaccines	Combined injection for diphtheria/tetanus/whooping cough/hep B/polio/Hib (haemophilus influenzae type b) (Infanrix hexa), pneumococcal (Prevenar 13), oral dose for rotavirus (Rotarix)	Health	Aus	Universal	Admin	Accessible	AIR (DHS)
4m		Maternal & Child Health Nurse visit	Weight/growth; nutrition & breastfeeding status; family health/wellbeing; PEDS & Brigance as required; EPND scale (optional); hips assessment; safe sleeping checklist; QUIT intervention; family violence assessment & safety plan if required	Health	Vic	Universal	Report	Not acc/cur	DET
6m		6 months vaccines	Combined injection for diphtheria/tetanus/whooping cough/hep B/polio/Hib (haemophilus influenzae type b) (Infanrix hexa), pneumococcal (Prevenar 13)	Health	Aus	Universal	Admin	Accessible	AIR (DHS)
8m		Maternal & Child Health Nurse visit	Weight/growth; nutrition & breastfeeding status; family health/wellbeing; PEDS & Brigance as required; EPND scale (optional); physical & hips assessments; hearing risk assessment; safe sleeping checklist & sleeping intervention (optional); QUIT intervention; family violence assessment & safety plan if required	Health	Vic	Universal	Report	Not acc/cur	DET
12m		12 months vaccines	Measles/mumps/rubella (Priorix or M-M-R-II), Hib/meningococcal C (Menitorix), pneumococcal (Prevenar 13 - medically at-risk children only), hep B (H-B-Vax-II Paediatric or Engerix-B Paediatric - premature <32 weeks or <2kg birthweight only)	Health	Aus	Universal	Admin	Accessible	AIR (DHS)
12m		Maternal & Child Health Nurse visit	Weight/growth; nutrition & breastfeeding status; family health/wellbeing; PEDS & Brigance as required; hips assessment; SACS (optional); safe sleeping checklist & infant sleep review (optional); QUIT intervention; family violence assessment & safety plan if required	Health	Vic	Universal	Report	Not acc/cur	DET
18m		18 months vaccines	Measles/mumps/rubella/varicella (PriorixTetra or ProQuad); diphtheria/tetanus/whooping cough (Infanrix or Tripacel)	Health	Aus	Universal	Admin	Accessible	AIR (DHS)
18m		Maternal & Child Health Nurse visit	Weight/growth; nutrition & breastfeeding status; family health/wellbeing; PEDS & Brigance as required; hips assessment; oral health (Lift the Lip); SACS (optional); safe sleeping checklist; QUIT intervention; family violence assessment & safety plan if required	Health	Vic	Universal	Report	Not acc/cur	DET
2y		Maternal & Child Health Nurse visit	Weight/growth; nutrition & breastfeeding status; family health/wellbeing; PEDS & Brigance as required; hips assessment; oral health (Lift the Lip); SACS (optional); BMI; safe sleeping checklist; QUIT intervention; family violence assessment & safety plan if required; kindergarten enrolment discussed	Health	Vic	Universal	Report	Not acc/cur	DET

- Not Univ = not universal – elective - Sample = random sample of population
- Not acc/cur = not accessible/curated - Not coll = not (routinely) collected
- Admin = administrative data (no clinical reports/results included)
- Unique identification numbers - See Glossary of acronyms at end
- Correct to best of our knowledge as of August 2018 – not for circulation

Infographic		Data/specimen collection	Description/contains	Domain	Coverage	Population	Data type	Accessible?	Custodian
3.5y		Maternal & Child Health Nurse visit	Weight/growth; nutrition & breastfeeding status; family health/wellbeing; PEDS & Brigance as required; hips assessment; oral health (Lift the Lip); SACS (optional); BMI; safe sleeping checklist; QUIT intervention; family violence assessment & safety plan if required	Health	Vic	Universal	Report	Not acc/cur	DET
4y		4 years vaccines	Diphtheria/tetanus/whooping cough/polio (Infanrix IPV or Quadracel), pneumococcal (Pneumovax 23 - medically at-risk children only)	Health	Aus	Universal	Admin	Accessible	AIR (DHS)
4y	Kinder (KIM)	Kindergarten Information Management system	Info on kindergarten, workforce, children (e.g. occupation & education details of guardians), attendance details & info on fees paid	Education	Vic	Universal	Admin	Not acc/cur	DET
4y to 5y		Maternal & Child Health Nurse visit	Optional (less common) additional visit; family health & wellbeing, developmental assessment, body measurements, vision test	Health	Vic	Not Univ	Report	Not acc/cur	DET
~5y to 25y	VSN	Victorian Student Number	VSN assigned by DET to all students when first enrolled in a Victorian educational provider and added to Victorian Student Registry – endures until the student's 25 th birthday						
School entry (~5y)	AEDC	Australian Early Development Census	Teacher report (every three years), questions assessing children in first school year on five domains: physical health & wellbeing, social competence, emotional maturity, language & cognitive skills (school-based), communication skills & general knowledge. Item responses used to calculate scores/categories on domain indicators, vulnerability summary & multiple strength indicators	Health	Aus	Episodic	Survey	Accessible	Aus DET
School entry (~5y)	SEHQ	School Entrant Health Questionnaire	Parent report: Standardised measures (global health, special health care needs (CSHCN), developmental concerns (PEDS), behaviour (SDQ), asthma/allergy, oral, language, vision, sleep problems, reading/screen time/physical activity, demographics, family structure, family events, family risk, health care card, health service accessibility	Health	Vic	Universal	Survey	Accessible	DET
5y to 12y		Vision screen - School Nurse	Conducted if SEHQ advises vision test has not previously been done at Maternal Child Health 3.5y visit or an optometric service. Three-metre vision screening (LogMAR LEA chart); observation for common external eye disease (e.g. conjunctivitis) to identify need for referral to optometric service	Health	Vic	Targeted	Report	Not acc/cur	DET
5y to 12y		Hearing screen - School Nurse	May be recommended based on speech/language questions in SEHQ, parents' or teachers' concerns, for ASTI children, children involved in Program for Students with Disabilities. Inspection of ears (otoscopy), pure tone audiometry (Sweep Test/Threshold Test) to identify need for referral to audiometric service	Health	Vic	Targeted	Report	Not acc/cur	DET
5y to 12y		Mouth check - School Nurse	May be recommended based on SEHQ, parents' or teachers' concerns. Preliminary mouth & teeth check using 'Lift the Lip' method; identify need for referral to dental service	Health	Vic	Targeted	Report	Not acc/cur	DET
5y to 12y		Behavioural-social-emotional support - School Nurse	May be recommended based on SEHQ (SDQ, Recent Family Events, parent with a mental illness, Out-of-Home Care, Refugee/Asylum Seeker), parents' or teachers' concerns. As appropriate may include: assessment of signs of anxiety, emotional distress or behavioural problems in child; contact with teachers/parents, to ensure provision of appropriate services/support	Social/Other	Vic	Targeted	Report	Not acc/cur	DET
5y to 12y	School Nurse	Speech & language screen - School Nurse	May be recommended based on SEHQ (PEDS), parents' or teachers' concerns. Speech & language assessment (Firetruck picture) to identify need for referral to speech & language therapist	Health	Vic	Targeted	Survey	Not acc/cur	DET
5y to 12y	School Nurse	General development screen - School Nurse	May be recommended based on SEHQ (PEDS), parents' concerns. Secondary developmental screen (Brigance) to identify need for further assessment (by GP, psychologist, speech pathologist, other...)	Health	Vic	Targeted	Report	Not acc/cur	DET
Grades 3, 5, 7, 9	NAPLAN	National Assessment Program – Literacy and Numeracy	Standardised assessment in reading (answer questions relating to a magazine with a range of texts illustrating different writing styles), writing (respond in a particular text type to a writing stimulus), language conventions (spelling, grammar, punctuation), numeracy (multiple-choice and constructed response items in number & algebra; measurement & geometry; statistics & probability) in line with the Australian Curriculum for English and Mathematics	Education	Aus	Universal	Report	Accessible	ACARA
Grades 4-12	Attitudes to School	Attitudes to School Survey	Annual de-identified student survey regarding attitudes to teaching & learning, social engagements & relationships, wellbeing & safety.	Social/Other	Vic	Universal	Survey	Not acc/cur	DET
Grades 5, 8, 11	Wellbeing	Victorian Student Health and Wellbeing Survey (About You)	De-identified student survey covering topics relating to nutrition, health, physical activity, safety, life satisfaction, family relationships	Health	Vic	Sample/Episodic n≈12000	Survey	Not coll	DET
10y		Height, weight	Not routinely collected: Height and weight of children	Health		0	Report	Not coll	N/A
10y		Mental Health	Not routinely collected: Mental health of children	Health		0	Report	Not coll	N/A

- *Not Univ* = not universal – elective - *Sample* = random sample of population
- *Not acc/cur* = not accessible/curated - *Not coll* = not (routinely) collected
- *Admin* = administrative data (no clinical reports/results included)
- Unique identification numbers - See *Glossary of acronyms* at end
- Correct to best of our knowledge as of August 2018 – **not for circulation**

Infographic		Data/specimen collection	Description/contains	Domain	Coverage	Population	Data type	Accessible?	Custodian
12y to 18y	School Nurse	Secondary School Nursing Program	Strives to reduce negative health issues & risk taking behaviours among young people, coordinate with community health & support services & offer primary health care	Health	Vic	Not Univ	Report	Not coll	DET
12y to 13y		HPV vaccines	2 injections for HPV (human papillomavirus) given 6-12 months apart	Health	Aus	Universal	Admin	Accessible	AIR (DHS)
12y to 13y		DTP vaccine	Diphtheria/tetanus/whooping cough (Boostrix) immunisation	Health	Aus	Universal	Admin	Accessible	AIR (DHS)
15y		Height, weight	Not routinely collected: Height and weight of children	Health		0	Report	Not coll	N/A
15y		Mental Health	Not routinely collected: Mental health of children	Health		0	Report	Not coll	N/A
~15y	TFN	Tax file number	Personal reference number assigned when beginning employment, used in tax & superannuation systems						
>15y		Pneumococcal vaccine	Single injection for pneumococcal (Pneumovax 23) for ATSI people with medical risk factors	Health	Aus	Targeted	Admin	Accessible	AIR (DHS)
15y to 16y		Meningococcal vaccine	Single injection for meningococcal A, C, W, Y (Menactra)	Health	Aus	Universal	Admin	Accessible	AIR (DHS)
16y		Learner's permit (Licence No. assigned)	Eligible to take learner permit knowledge test and receive learner's permit	Social/Other	Vic	Targeted	Admin/survey	Accessible	VicRoads
~16y	USI	Unique Student Identifier	Issued to all students in nationally recognised VE/TAFE training, linking to the National VET Provider Collection and an online record of all that individual's TAFE training. Implemented since 2015						
~16y	Tertiary/TAFE	National VET Provider Collection	Includes program information, subject information, qualification etc. since 2015, submitted by Registered training Organisations (RTOs), State Training Authorities (STAs) and Boards of Studies (BOSs)	Education	Aus	Targeted	Admin	Accessible	NCVER
~17y	VCAA	VCAA Student Number	Applied for by the educational provider and assigned the first time a student is enrolled on the Victorian Assessment Software System (VASS); is printed on exam papers and is used by VTAC as a linkage key when calculating an ATAR						
18y	VCAA	Victorian Curriculum and Assessment Authority and Skills Victoria data	Enrolment/assessment outcome info in VCE, VCAL & VCE VET areas of study & info on senior secondary completion & achievement	Education	Vic	Targeted	Admin/survey	Accessible	DET
18y		Probationary driver licence	Eligible to take hazard perception/drive tests and receive probationary driver licence	Social/Other	Vic	Targeted	Admin/survey	Accessible	VicRoads
>18y	CHESSN	Commonwealth Higher Education Study Support Number	Issued to all Commonwealth supported students, or those receiving any HELP assistance (HECS-HELP, FEE-HELP, OS-HELP, Commonwealth Scholarship program, Research Training Program), allocated by Higher Education Information Management System (HEIMS)						
>18y	Student/jobseeker benefits	Centrelink payment statistics	Data on payment/services provided for students/trainees, job seekers	Social/Other	Aus	Targeted	Admin/survey	Not acc/cur	DHS
>18y	Study/training loans	Study and training support loans	Income contingent loans for people undertaking higher education/trade apprenticeships, repaid when income exceeds repayment threshold	Social/Other	Aus	Targeted	Admin/survey	Accessible	ATO
>18y	Tertiary/TAFE	Higher Education Statistics Collection	Data on higher education courses, applications/offers/acceptances, no./ characteristics of students, units completed	Education	Aus	Targeted	Admin/survey	Accessible	Aus DET
>25y	HPV	Victorian Cervical Cytology Registry Data Collection	Database of Cervical Screening Test results, detecting HPV/cell changes in cervix to screen for cervical cancer	Health	Vic	Targeted	Biosample	Not acc/cur	VCCR (DoH)
							Report	Accessible	VCCR (DoH)
>18y		Blood pressure checks	Recommended at least every 2 years after age 18	Health		Not Univ	Digital recording	Not coll	GPs
							Report	Not coll	GPs

- *Not Univ* = not universal – elective

Infographic		Data/specimen collection	Description/contains	Domain	Coverage	Population	Data type	Accessible?	Custodian
>40y		Glaucoma check	Recommended first by age 40 then regularly thereafter depending on risk factors	Health		Not Univ	Digital recording/ image	Not coll	Various
							Report	Not coll	Various
>45y		Cholesterol levels and triglycerides	Blood tests indicating risk of heart disease, recommended at least every five years for people over 45	Health		Not Univ	Biosample	Not coll	Various pathology
							Report	Not coll	GPs
>50y		Colonoscopy	Screen for bowel cancer, recommended every two to five years	Health		Not Univ	Digital recording	Not coll	Various
							Report	Not coll	GPs
>50y		PSA test	Screen for levels of prostate specific antigen (PSA) in the bloodstream to help indicate presence of prostate cancer	Health		Not Univ/ Targeted	Biosample	Not coll	GPs
							Report	Not coll	Various
>50y		Electrocardiogram (ECG)	Detects cardiac abnormalities, measures electrical activity generated by heart as it contracts, recommended every 2 to 5 years	Health		Not Univ	Digital recording	Not coll	Various
							Report	Not coll	Various
>50y		Screening mammogram	Low dose x-ray of breasts to detect unsuspected cancer at an early, pre-symptomatic stage, recommended at least every two years	Health	Aus	Targeted	Image	Not acc/cur	BreastScreen Australia, Other
							Report	Not acc/cur	GPs
>50y		National Bowel Cancer Screening Program (NBCSP)	Distributes free immunochemical faecal occult blood test (iFOBT) kit used to check a stool sample for blood to screen for bowel cancer, recommended every two years	Health	Aus	Targeted	Biosample	Not acc/cur	Various
							Report	Accessible	AIHW
>70y		Shingles vaccine	Single injection for shingles (Zostavax)	Health	Aus	Not Univ	Report	Accessible	AIR (DHS)
Death	NDI	National Death Index	Listing of all deaths that have occurred in Australia since 1980	Health	Aus	Universal	Admin	Accessible	AIHW
Death	NMD	National Mortality Database	Holds records for deaths in Australia from 1964, info on causes of death, sex, age at death, area of usual residence, Indigenous status etc.	Health	Aus	Universal	Admin	Accessible	BDM Vic, ABS
Unscheduled									
Adoptions		Adoptions Australia Collection	Characteristics of adopted children, parents/ adoptive families, associated administrative processes	Social/ Other	Aus	Targeted	Admin	Accessible	AIHW
Alcohol/ Drug Services		Alcohol and Other Drug Treatment Services National Minimum Dataset	Data based on closed episodes of treatment provided to clients by alcohol/other drug treatment services, re: demographics, drug details, treatment, cessation	Health	Aus	Not Univ/ Targeted	Admin	Accessible	AIHW
AIR		Australian Immunisation Register	National database optionally recording vaccinations given to people living in Australia/enrolled in Medicare, incl vaccination, date, provider ID. Data not currently recorded if not added by vaccination provider or if part of school vaccine program; in process of expanding to include all child/school program vaccines	Health	Aus	Not Univ	Admin	Accessible	DHS
		Influenza vaccine	Annual injection for influenza, especially recommended for children, people with a medical risk factor, ATSI people, pregnant people, people aged 65y +	Health	Aus	Not Univ	Admin	Accessible	AIR (DHS)
ATO		Australian Taxation Office statistics	Info from variety of sources incl. tax returns & activity statements	Social/ Other	Aus	Universal	Admin	Accessible	ATO
BDM		Births Deaths and Marriages Victoria	Records significant life events, incl. births (& stillbirths over 20w or 400g), deaths, marriages, adoptions	Social/ Other	Vic	Universal	Admin	Accessible	BDM Vic
Breast cancer		BreastScreen Registry	Mammographic screening results, subsequent radiology/ pathology/clinical tests, exams & assessment for breast cancer	Health	Vic	Targeted	Image	Accessible	BreastScreen Australia
							Report	Accessible	BreastScreen Australia
