introductions

WIAOC09

Keynote Presenter
Alexander Hayes

“.....An avid interest in **web marketing** and **communication management** has lead Alexander Hayes, EDUPOV Director, to forge a career path working with organizations to **embed information communication** and **networked learning leadership** as part of an e-business portfolio.

Alexander facilitates **workforce, capability and career development training needs**, calling upon an extensive range of skills an experiences as a **professional educator, artist and web developer**.

Alex has worked extensively with the **Australian Flexible Learning Framework, TAFE NSW, TAFE Western Australia** and has an **extensive teaching career** spanning over two decades with the **primary, secondary , tertiary and other government departments** as **Lecturer, Web Developer, Project Manager, Researcher and Curriculum Instructional Design....”**

**“.....Attn: Honorable Investor,
I am looking for yourco-operation in building a Tourist Hotel/shopping Mallor Real Estate in your country. I am sorry if this is not in line with your business. I need an experienced person like you to assist me to set up, develop the project and assume responsibility of ownership as chairman but will be bringing in profit /distribute profit monthly or annually.**

I am John Githongo citizen of Nairobi, Kenya.A former Anti corruption Presidential adviser to the president of Kenya Mwai Kibak. During the course of my investigation of the last stages of President Arab Mois Regime uncovered certain amount of money with no formal trace of ownership. This fund was obviously secured as a result of trading in diamond and gold exports.Currently i have through a diplomat friend of mine was able to convey this fund totaling \$58.1m to a security company in Europe for safe custody. “
