## FEATURED CURATOR

September 30 – October 5, 2019

**What they do**  
PhD Candidate, University of Glasgow

**In R**  
"Right now I am mainly working on data analysis for various PhD related projects, but I also like to use R for more playful things, such as visualizing data from Spotify and Twitter. At the moment I am reading Colin Gillespie's 'Efficient R programming'."

**One R Learning Goal**  
"I have so, so many: first one on the list is participating in #TidyTuesdays, learning how to do simulation in R and starting to program Shiny apps... Many things!"

**Anna**  
@AnnaHenschel

  
Current Location  
**Glasgow, Scotland**

  
Uses R For...  
**#rstats, #DataViz, #OpenSci, Academic Research**

  
Favorite Package(s)  
**tidytext, cowplot, rtweet, Rpoet, SpotifyR, ggplot2**

  
Hobbies  
**Reading, writing, photography, running, travelling**

 Ladies

**Rotating curator (RoCur)**  
accounts are a popular way to  
dip your feet into #SciComm.
