Apa itu Kahoot!

Kahoot!

Buat dan selenggarakan games pembelajaran untuk siswa dalam rangka me-*review* materi pelajaran, mengenalkan materi baru, melakukan penilaian formatif, pekerjaan rumah, dan masih banyak lagi!

Bagaimana para guru menggunakan Kahoot!

1

review materi

2

asesmen formatif

3

**mengenalkan
konsep baru**

4

reward atau icebreaker

5

sebagai PR

6

**memotivasi siswa
membuat kahoot mandiri**

**Kahoot! is a fantastic way
to **engage** every single
student -even **remotely**.**

Menjadi Host

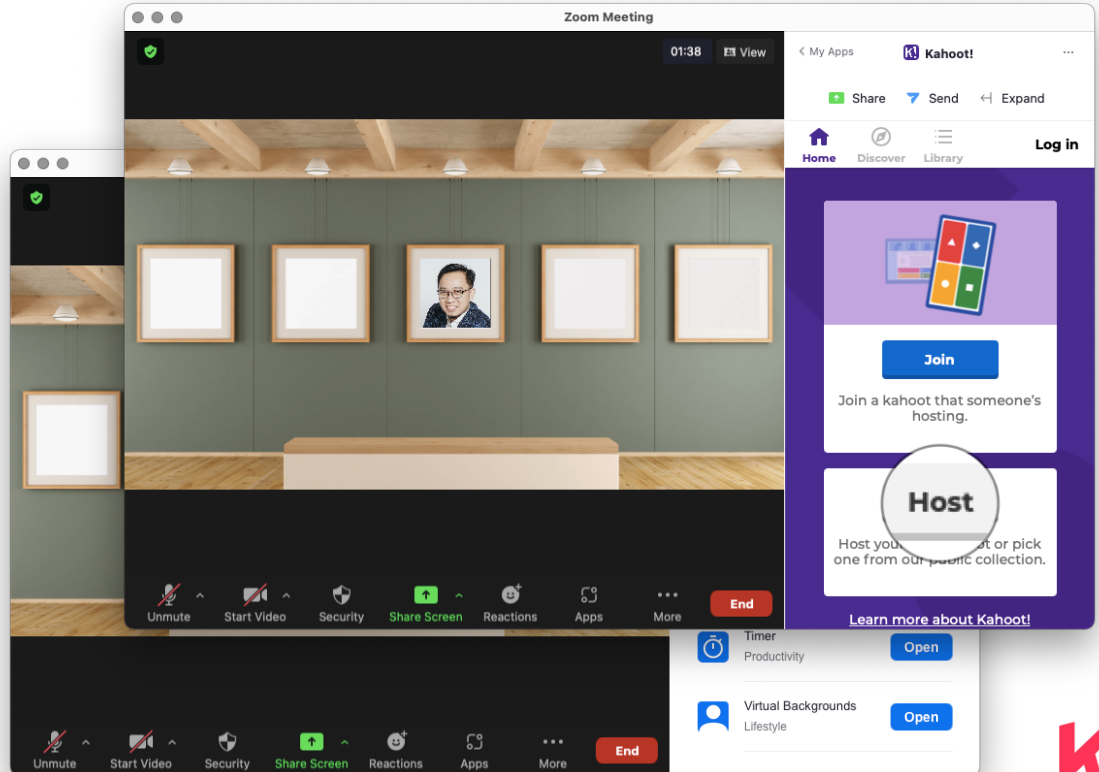

The image shows a Zoom meeting window. The main video area displays a virtual room with a green wall, wooden beams, and five framed pictures. The third frame from the left contains a portrait of a man with glasses. The Zoom interface includes a top bar with a status icon, a timer at 01:38, and a 'View' button. A bottom toolbar contains icons for Unmute, Start Video, Security, Share Screen, Reactions, Apps, and an 'End' button. On the right side, a 'My Apps' panel is open, showing the 'Kahoot!' application. Below the app name are buttons for 'Share', 'Send', and 'Expand'. Further down are links for 'Home', 'Discover', and 'Library', along with a 'Log in' button. The Kahoot! overlay features a colorful logo, a 'Join' button with the text 'Join a kahoot that someone's hosting.', and a 'Host' button with the text 'Host your own kahoot or pick one from our public collection.' At the bottom of the overlay is a link that says 'Learn more about Kahoot!'.
