Agenda and Your Learning Outcome

Research

Effective librarians educate and help patrons write papers, complete assignments and win contracts/ grants

Instructions

Effective libraries contribute to an enhanced learning experience and collaborate with academic departments

Technology

Effective Libraries Promote Technology Infused spaces and promote new models of scholarly communications

Outreach

Effective libraries contribute to institution wide initiatives, create partnerships and promote library outreach

Study Spaces

Effective Libraries provide dedicated study spaces and cater to modern human behavior and learning styles

Social Organization

Effective libraries aim to exhibit a social collaborative community behavior

E-content - Types

E-content at FGCU Library

- Individual Database & E journal package
- Statewide Consortium e-Resources
- Individual online journals collections and back file holdings
- Image collection databases
- E-video & other streaming media databases
- E-books collections and flat file purchases
- E-books - Patron Driven Acquisition
- E-books- State-wide Patron Driven Acquisition
- E-newspapers collections

E-content Numbers

E-content at FGCU library

Total Unique Journals: 127,620

Total Unique e-Books access at chapter level through aggregators: 287,366
Individual full text eBooks: 73,000

Streaming videos: 80,795

Music Tracks: 1,898,348

Shifts from monographic funds to e-resources

FY 2012: $33,462
FY 2013: $44,063
FY 2014: $52,895
FY 2015: $66,462

E-content Growth

Collections	FY 2014-15	FY 2015-16
Standing Orders (renewals & access fee etc.)	$615,627.36	$686,937.36
EBSCO Databases	$112,883.00	$118,745.62
E-journal Packages	$248,701.15	$264,964.46
Total	$977,211.51	$1,070,647.44

Collection Analysis Project Process

Collection Analysis Project

Books, Reference Material, Media in stable format, Microfilms and Microfiches, Bound Periodicals, Map Cases and Reserve Material

Systematic review of circulation and browsing statistics

Review of availability in duplicate formats: e-databases and JSTOR collections and holdings

Availability of material in Florida Academic Repository (FLARE)

Review of material in Permanent Reserves that has never circulated

Review of under performing media titles and subsequent purchase of SWANK database for streaming media: includes 260 films

Compression of bound periodical collection space

Donation of removed material to BetterworldBooks.com

Collection Analysis Project….1

- Books from Main Collection: Reviewed: 194,000
  - Flagged for removal: 33,000, Removed: 23,000

- Reference material 19,054 items (on going)
  - Subject librarians are reviewing the lists
  - Replacing with e-version wherever possible, example Westlaw
  - Replacing with Gale Virtual Library reference books
  - Identified 527 titles in FLARE and 78 more with missing few volumes

Collection Analysis Project….2

- Video Cassette Tapes: Reviewed: 4441
  - First Phase: Removed and unlinked from the catalog: 2,384
  - Second Phase: Reviewed: 2057, Withdrawn:1414 withdrawn, | Targeted for replacement: 257, Designated to keep: 155 and 231are waiting final decision
- CDs: Reviewed: 798, Removed: 119, Flagged for removal:120
- DVDs: Reviewed:1,571, Removed: 37, only 129 have been used

Collection Analysis Project….3

- Microforms: Reviewed: 527, Flagged for removal: 87%

- Microfiche (ERIC): Removed from big 9 cabinets

- Maps: Reviewed: 197, 74% flagged for removal, 9% for retention, rest to be digitized and add to Digital FGCU

Collection Analysis Project….4

➤ Periodicals

  ➤ Created lists of our collection and matched it with FLARE Repository

    ➤ 997 matched with FLARE and 146 with JSTOR 1- 4 Collections. **Working to see exact overlap. Will be removed in second phase**

  ➤ Out of 914 print titles,130 targeted for removal, rest being reviewed

  ➤ 530 periodicals in Micro were reviewed; 336 print titles and 328 Micro titles were withdrawn

  ➤ 3 Shelving units of browsing periodical section was reconfigured and replaced in more visible areas

  ➤ Print periodicals have dwindled so shelves were compressed

Collection Analysis Project….5

➤ Freed up space:

➤ Multimedia: 297 square feet of floor space, 3 rows of 12 double-faced storage units

➤ Periodical 3,435 square feet of floor space

Study Spaces

Effective libraries provide dedicated study spaces for catering to modern human behavior and learning styles

Study@the library

Quiet Corners

Group Study Rooms

Collaborative Study Spaces

Learning Commons

Teaching Hubs Partnerships

The Study@the Library
http://library.fgcu.edu/rsd/theStudy.html

- Optimum for collaborated study

- Online application

- Graduate students: Access is granted on a 12 month basis

- Faculty: No application required. All faculty IDs are coded to allow access to the Study

- Space available on "first come, first served" basis

- Computer stations, printers, Wi-Fi, white boards and work tables

Study Spaces

➡ Quiet Corners: **16**

➡ Collaborative study spaces scattered throughout the Library

➡ Group Study Rooms: **26**

➡ DIBS: Group Study Room Reserve System http://library.fgcu.edu/dibs

  ➡ Reserve a room up to 7 weeks in advance for up to 2 hours

  ➡ Requests completed:

    ➡ FY15-16: **38,950**

    ➡ FY 16-17: **18,136**

The Hub for Instructional Support Tutoring

Future Directions

Library Next

Future Direction

- Dedicate a complete floor to Silent Study Space
- Increase number of Individual Study Spaces, Study Pods/Cubicles
- Increase Collaborative Study Spaces
- Develop Techno Booth
- Highly Visible & Accessible Round Information Common with potential partners
- Tutoring Hub with whiteboards, computers & Supplies
- Research Consultation adjacent to the reference desk
- Mini Computer Lab behind Information Common
- Develop glass-enclosed combination of lab and instruction spaces
- Develop leisure reading and display spaces

Information Commons Examples

University of Toledo

University of Central Florida

Computing Lab Examples

Booth Library, Eastern Illinois University

Florida State University

Techno Booth Examples
